

YOU SHOULD SEE OUR CHANGING NEW FACE

WOW ISTANBUL HOTEL prepares to welcome the spring with its new rooms with the completion of the renovation as of April 2014. It prepares to offer the peace and comfort of your house at 5* comfort with **214 Deluxe rooms, 56 Executive Rooms, 2 Handicap and 3 Suite rooms** each specially designed uniting comfort and technology.

WOW Convention Center is the biggest convention center of Istanbul with accommodation with meeting capacity of 6500 persons. Capable of hosting all kinds of organizations such as international and national congresses, meetings, fairs and weddings and consisting of two blocks, WOW Convention Center has total 34 halls.

3108 m2 Safir Hall in WOW Convention Center A Block is the biggest column-free hall of Istanbul. There are 6 more meeting rooms in the same block serving from 20 to 235 persons.

Total area of Yakut Hall in WOW Convention Center B Block' is 1200 square meter. Having a folding **telescopic platform system**, the hall is capable of serving 1000 persons. The size of other halls in B Block ranges from 70 to 225 square meter. There is also a VIP hall in the block where there are recreation, work and meeting rooms.

Safir Hall located in A Block is being renovated this year, and it will continue to furnish you high-quality service.

Please visit our website for hall plans, capacities and more detailed information about our hotel:
