		ARMA, IATA and ICAO to address the gap in incident analysis for the region.		(CRA) reports		remotely on 14 February 2024. ATS events were scrutinized and classified with a key recommendation for more coordination between ANSPs, for effective management of air traffic at FIR borders. The meeting was attended by the standing members of TAG and those States that were purposely invited. However, this meeting did not have enough data for the analysis it carried out on safety occurrences from 2022/2023. ARMA will provide a report on corresponding CRA in APIRG 27/RASG 10 meeting. Furthermore, an ATM coordination meeting for the Southern Cluster was held in Angola from 21 to 22 June 2024 to address
