ICAO 80th Anniversary Celebrations

AFI Aviation Week, Libreville- Gabon
15-19 July 2024

2024 marks the 80th Anniversary of ICAO and commemoration the signing of the Convention on International Civil Aviation

SAFE SKIES.
SUSTAINABLE FUTURE.
A UNITED NATIONS SPECIALIZED AGENCY

Introduction

For 80 years, the ICAO has been the driving force behind the safe, secure, and sustainable development of global aviation.

Since 1944, has set the standards that have enabled the industry to thrive, while championing socio-economic progress, gender equality, and a culture of innovation

As we embark on this journey of continuous action, ICAO invites all stakeholders to join in its dedication to a safer, more sustainable tomorrow for global aviation driven by a focus on capacity development and implementation.

"Safe Skies, Sustainable Future: ICAO80"

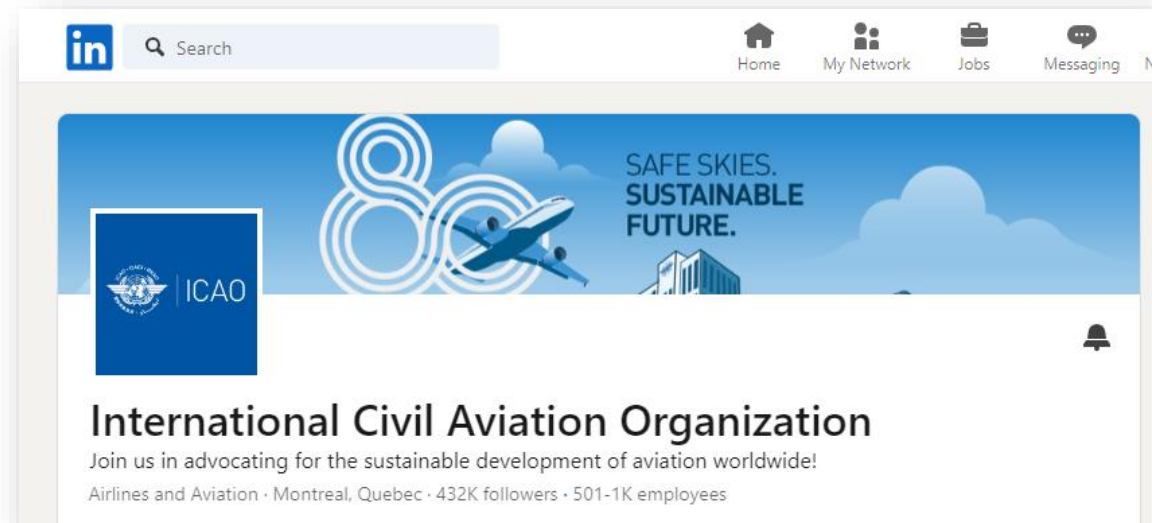

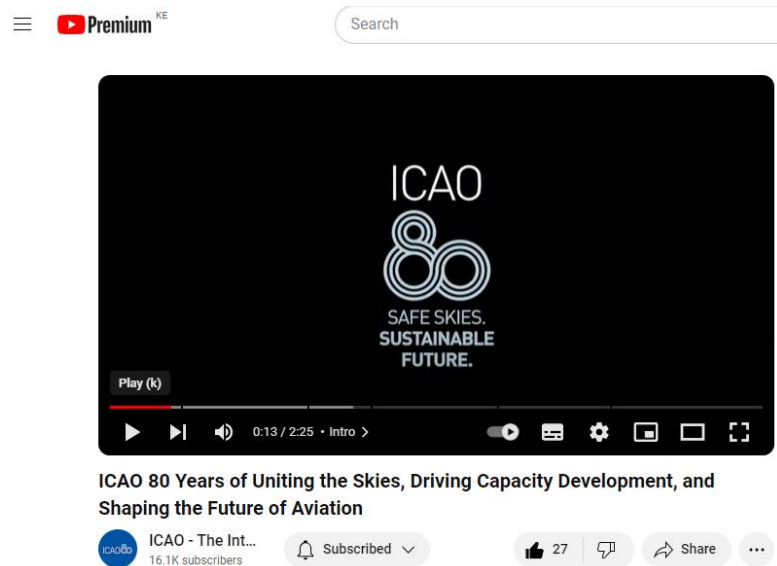

An opportunity to reflect on the achievements and challenges related to the development of international aviation in the Region and encourage sustained progress towards a more sustainable future for the aviation industry.

Celebrating the past and advocating for the safe, secure, and sustainable development of aviation extending access to those who need it most while ensuring that we do not compromise on these imperatives.

ICAO inviting States to consider their own high-visibility acknowledgements of ICAO's 80th Anniversary, including through:

- National or regional campaigns, or through other collaborative initiatives, suitable to their local resources and opportunities.
- Consider contributing to the “*Meet the Professionals*” webinar series.

States to notify ICAO of their plans for 80th Anniversary activities:

- ICAO to highlight these efforts and outcomes.

ICAO Contact Point for interactions will be the Communications Unit available via email at icao80@icao.int

The "Meet the Professionals" series is a **series of webinars and online workshops** highlighting the diverse and vital roles within the aviation sector, designed to engage and inspire the next generation of aviation professionals and promote initiatives such as the Next Generation of Aviation Professionals (**NGAP**) and **Gender Diversity**.

Each Member State is invited to actively participate by organizing sessions, focusing on professionals where possible, presenting in local languages to increase accessibility and relevance for their audiences.
