Sir,

I have the honour to inform you that Airbus and ICAO MID Office are jointly organizing a Regional Webinar on Upset Prevention and Recovery Training (UPRT). The Webinar will be held on **Wednesday, 10 July 2024 from 08:00 to 09:30 UTC Time**; your Administration/Organization is kindly invited to participate in this Webinar.

Loss of Control In-flight (LOC-I) remains one of the leading causes of aviation accidents and incidents globally and is being addressed as one of the top priorities by ICAO through the Global Aviation Safety Plan (GASP) and regionally within the Middle East Regional Aviation Safety Plan (MID-RASP). This webinar aims to address the critical aspects of LOC-I.

It would also appreciate extending the invitation to your respective airlines experts in aviation safety to participate and share their insights and experiences during this webinar.

The Provisional Agenda for the Webinar is at **Attachment A**.

It would be appreciated if you could, as soon as possible, preferably not later than **6 July 2024**, confirm the participation of your Administration/Organization by completing the online registration using the following link: [UPRT Webinar Registration Link](#)

Should you require more information about the webinar, please contact the ICAO MID Office ([icaomid@icao.int](mailto:icaomid@icao.int)) and Mr. Mohamed Chakib, Regional Officer, Safety Implementation at: ([mchakib@icao.int](mailto:mchakib@icao.int)). A **Zoom or MS Team invitation** will be sent to your nominated delegates in due course.

Accept, Sir, the assurances of my highest consideration.
