

JOHANN BORDAIS

Chief Executive Officer
Eve Air Mobility

What We Are Focused On...

Ecosystem Blueprint

- Fleet Operations
- Stakeholder Engagement
- Infrastructure
- Service & Support
- Vector Urban ATM
- Policy & Regulations
- Workforce

Meetings with CAAs Before Validation Application

- Product, service and operations familiarizations
- Need to strengthen bi-lateral agreements and technical cooperation between the certification and validation authorities
- Streamlined validation process in other countries

Aircraft

- Roll-out / Farnborough
- Focused on first flight/test campaign
- Delivering on performance and cost targets
- Constant customer communication/feedback loop
