

ICAO AAM Symposium

Will Nathan – Head of Public Affairs

VERTICAL 
G-EVTA

Pioneering Electric Aviation

AAM is an industry led by scale-ups...

Agility – can outpace traditional aviation

Need skills from across different sectors, not just aerospace

Start-up culture attracts new talent

Clean-sheet freedom

What does this mean for regulators, governments and the industry?

Regulation and
Policy

Workforce
Dynamics

Safety Integration

Industry
Collaboration
