

# Drone Enable 2023

## UTM: Regulators perspective

Joachim Lücking, European Commission

*Head of Unit Aviation Safety  
Directorate General for Transport and Mobility*

# U-space EU Regulatory framework

U-space airspace = UAS geographical zone designated by Member States, where UAS operations are only allowed to take place with the support of U-space services.

Safety, security, environmental or privacy concerns

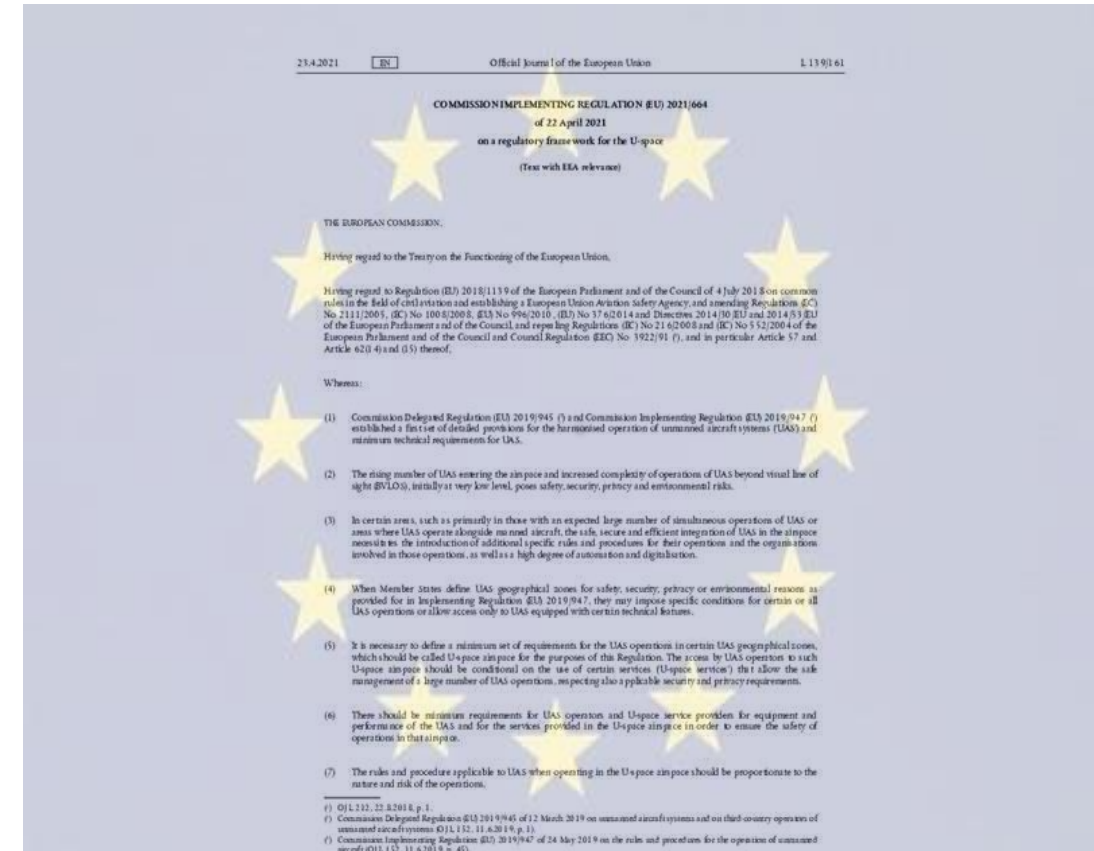

Designation of U-space airspace

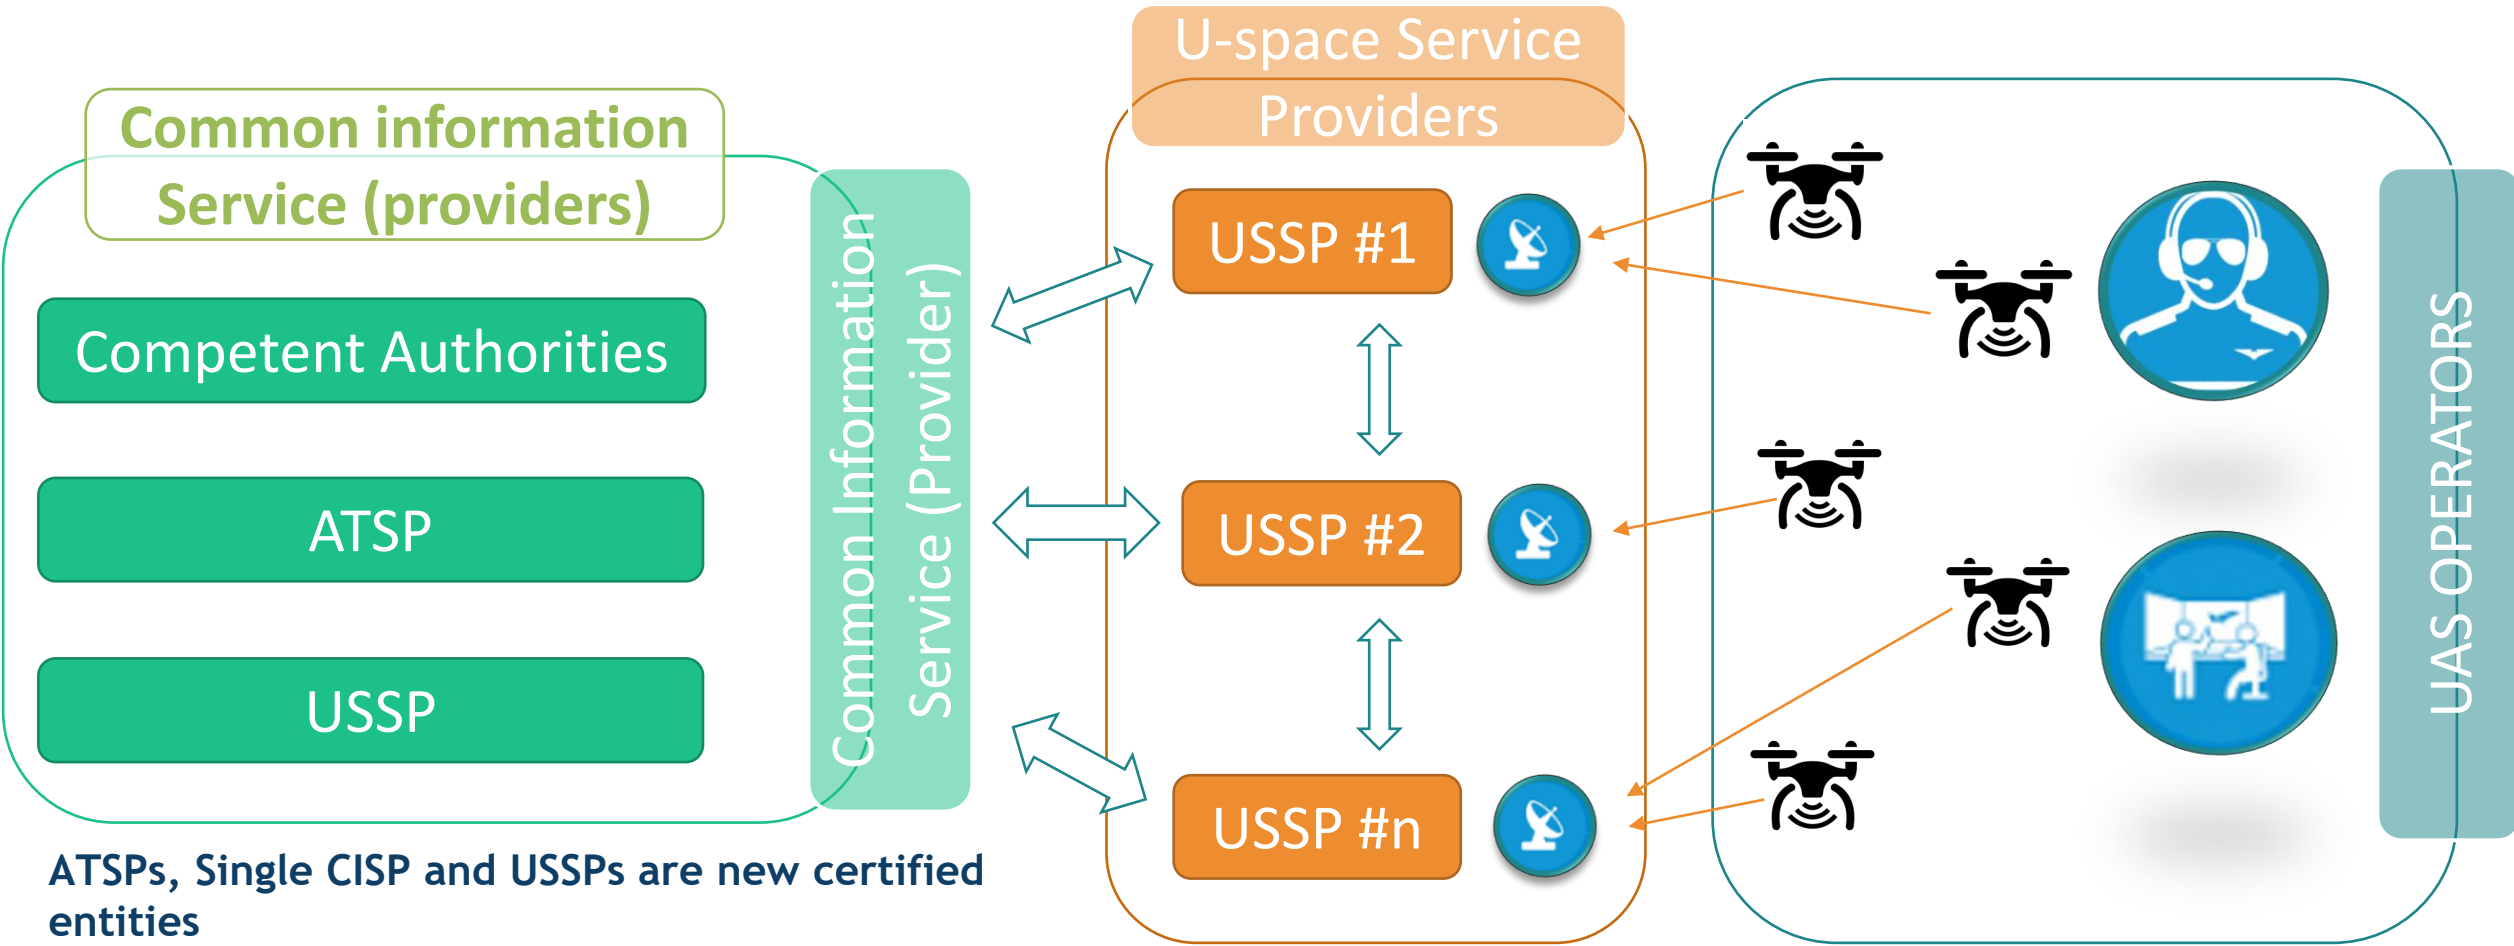

Airspace risk assessment

Required U-space services and performances

# U-space architecture – Distributed or (Centralised)

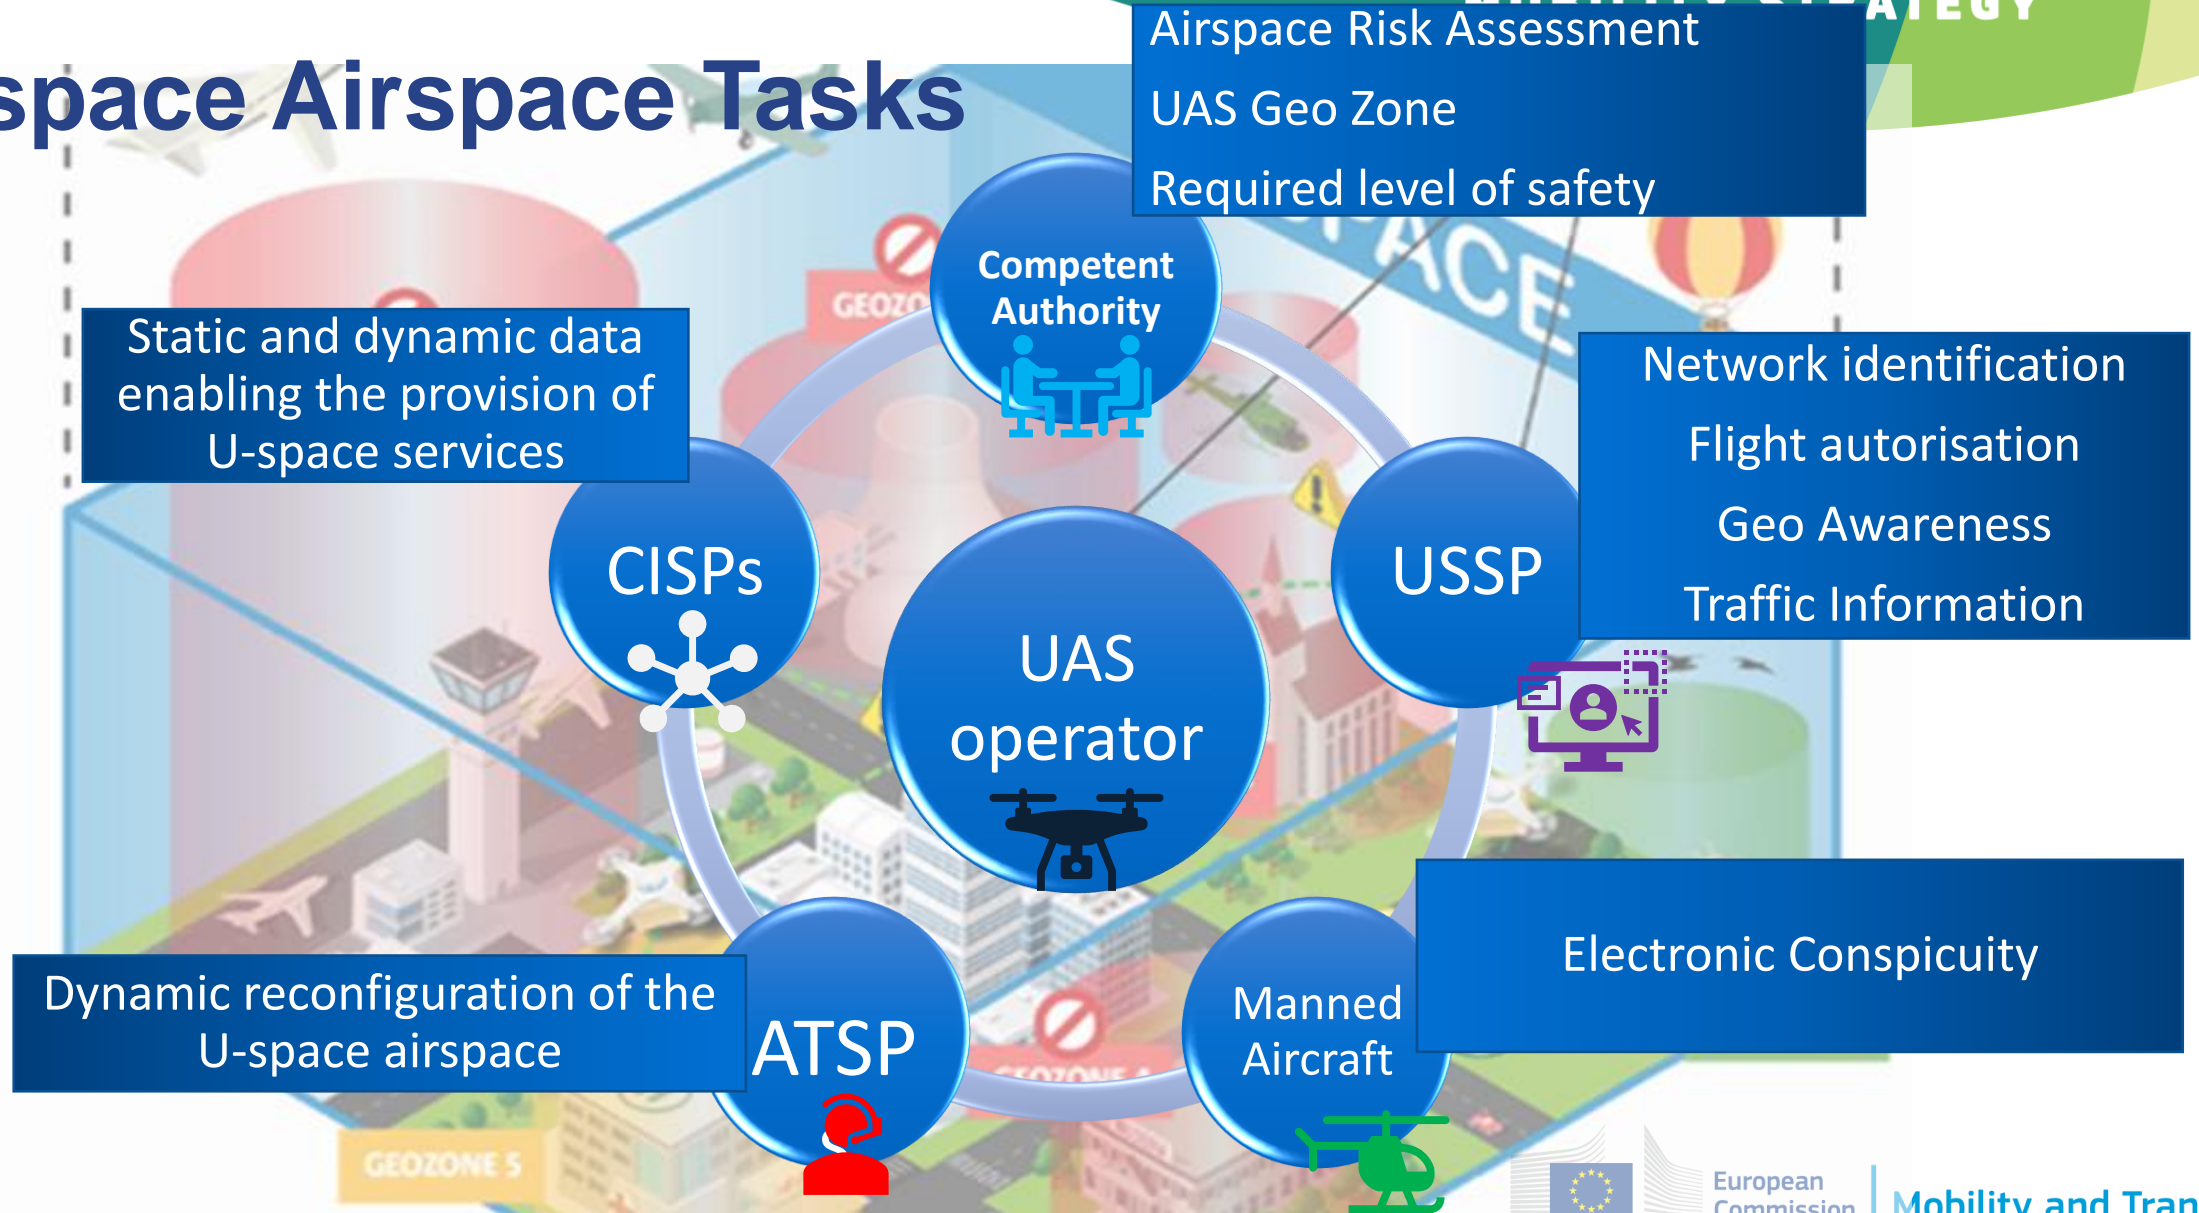

ATSPs, Single CISP and USSPs are new certified entities

Certification is granted based on the satisfaction

of 'U-space performance requirements'  
Strong focus on: software & cyber security

# U-space Airspace Tasks

Thank you
