Innovation

A person with long hair is wearing a VR headset, holding a smartphone in front of the lenses. The background is a dimly lit room with various electronic components and wires, suggesting a laboratory or workshop setting. The word "Innovation" is overlaid in a large, bold, sans-serif font, with the letters filled with a golden-brown color that matches the background's lighting.

Innovating the Future of Facilitation

An imperative

- Collaborate and build buy-in
- Invest proactively in knowledge and capacity building
- Ensure that you make use of the tools and infrastructure that allows innovation in implementation
- Follow ICAO's specification to ensure global interoperability
- Take advantage of regional and global fora, meetings and groups, including those of ICAO

Thank You
