# Second North American, Central American and Caribbean Working Group (NACC/WG) Aerodromes and Ground Aids (AGA) Implementation Task Force Meeting (NACC/WG/AGA/TF/2)

**SRVSOP**

## RST Training

**Rodrigo Ribeiro**

**AGA Specialist, SRSVOP, ICAO SAM Office**

# Upcoming Training Course on Runway Safety and Runway Safety Teams (RST)

Explore the importance of runway safety and the role of Runway Safety Teams (RST) in promoting aviation safety.

RASG-PA RST Project – Delivery #5

# Current Challenges and Need for Training

**1** Lack of Effective RSTs

Inconsistent implementation and maintenance of RSTs

**2** Insufficient Knowledge

Gaps in understanding RST requirements and best practices

**3** Limited Stakeholder Involvement

Need for greater participation from ATC and runway users

# Course Overview

### Target Audience

AGA inspectors, **aerodrome operators**, ATC, airlines

### Course Goal

Enable effective implementation and maintenance of RSTs

### Delivery Format

Virtual asynchronous, with SMS course as prerequisite

# Key Activities and Competencies Addressed

**1** Developing ToR

Defining scope, objectives, and responsibilities

**2** Establishing RST

Recruiting representatives and ensuring collaboration

**3** Communication

Applying communication tools to keep it effective

**4** Running RST

Implement action plans, assign tasks and keep records

**5** Evaluation and Improvement

Assessing effectiveness and driving continuous improvement

# Course Structure and Modules

### Module 1
**Introduction to Runway Safety and RST**

### Module 2
**Regulatory and Normative Framework**

### Module 3
**Effective Implementation and Maintenance of RST**

### Module 4
**Evaluation and Continuous Improvement of RST**

### Module 5
**Effective Collaboration and Communication in RST**

### Module 6
**Interaction between RST and Aerodrome Operator's SMS**

# Evaluation Methods and Expected Outcomes

## Quizzes

Assess comprehension

## Discussions

Evaluate application of concepts

## Case Studies

Analyze real-world scenarios

## Competencies

Enhance runway safety skills

# Next Steps

| 1 | 2 | 3 |

### Course Timeline

Upcoming launch date

October 2024

### Promote the Course

Encourage AGA experts to

participate

RASG-PA members

### Emphasize Importance

Effective RSTs enhance

runway safety

Future assessments

# Q&A

# Thank You

Rodrigo Ribeiro
