8. Transportation

At Jorge Chávez International Airport, we recommend using Taxi Green, whose central desk is located at the airport, near the international passenger exit. The fare to Miraflores or San Isidro (hotel areas) and vice versa is approximately US\$20.00.

Participants should arrange transportation by taxi or walking, depending on the location of their chosen hotel, to and from the Regional Office. The recommended company for city transfers is Taxi Satelital, Tel: +511 355-555. Ride-sharing platforms like Uber and Cabify are also available via mobile apps, for payment in cash (soles) or directly charged to credit cards.

In the city, there are independent or informal taxi drivers who do not belong to any company, and they do not provide security or guarantees. If you opt for an informal taxi, please be aware that you are exposing yourself to a high level of risk.

9. Electricity

220 Volts/60Hz is the standard.

10. Passport and Visa Requirements

Please confirm each case with the respective Consulates and Embassies of your States.

11. Hospitals

In case it's necessary, the recommended clinic is Angloamerican Clinic, located at Alfredo Salazar s/n, Miraflores, Tel: +51 1 616-8900

12. General Recommendations in Case of an Earthquake

The city of Lima is located in a seismic zone.

During an earthquake:

- a) Stay calm.
- b) Move away from windows; do not go out onto balconies; do not use elevators.
- c) Move to internally designated safe areas.
- d) Evacuate the area only if conditions allow; otherwise, minimize your movements.

After an earthquake:

- a) Proceed to evacuate the area as aftershocks may occur.
- b) Evacuate calmly, quickly, and safely along designated routes.
- c) Stay at the evacuation site until the building's security team verifies if there is any risk in the facilities.

13. Others

Every purchase is subject to an 18% tax (IGV), which in most cases is included in the final price. In restaurants, a voluntary tip of 10% is typically considered unless it's already included in the bill. However, 10% is customary.
