

P/29 Agenda Item 5

**QATAR'S COMMITMENT TO THE  
MEMBER STATES OF THE ICAO NACC  
REGION TO SUPPORT THE  
DEVELOPMENT OF CIVIL AVIATION**

Strategic cooperation towards an effective implementation support

- Civil Aviation Authority of the State of Qatar (QCAA) is the regulatory body responsible for overseeing civil aviation in Qatar.

# About our Industry

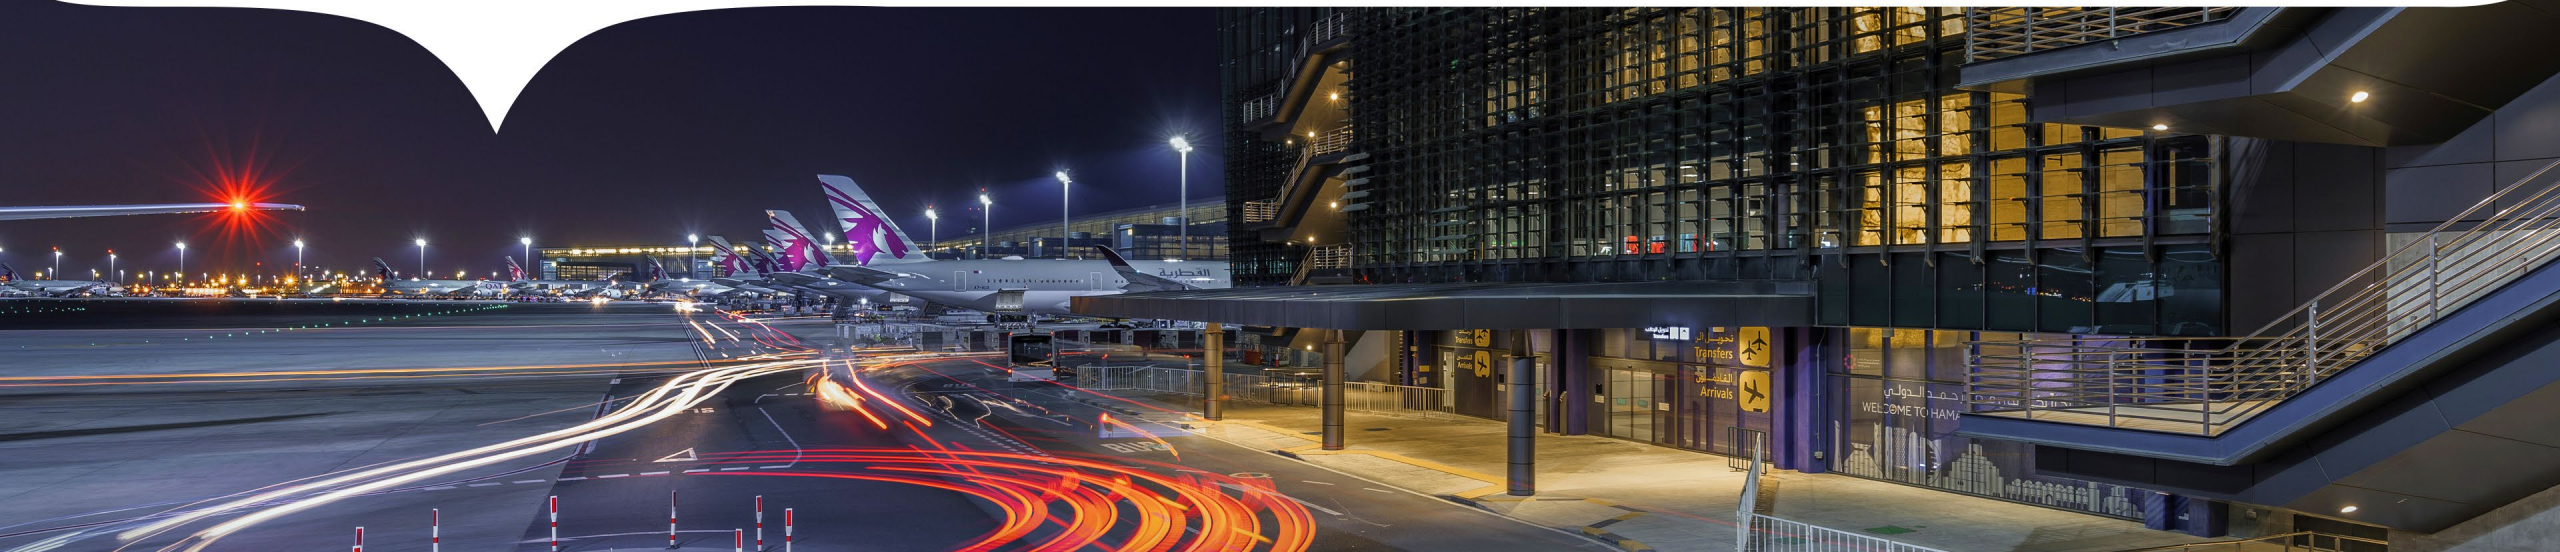

+170 global destinations  
+14,000 daily departures

+50 international airlines  
+250,000 aircraft movements

Our national airline and main international airport are continuously rated among the best in the world.

- Under the umbrella of the Ministry of Transport, one of QCAA's core values is collaboration with partners and stakeholders in all relevant processes and services.

# Qatar National Vision 2030

Qatar National Vision 2030 is a roadmap for Qatar's future.

**Economic  
Development**

**Social  
Development**

**Human  
Development**

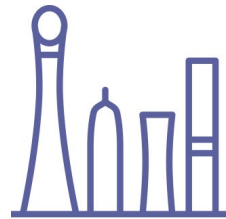

**Environmental  
Development**

# QCAA's Proposed Areas of Cooperation

Aviation  
Safety and  
Security

Capacity  
Building

Air Transport

Sustainable  
Development

Air Traffic  
Management

# QCAA's Cooperation Approach for the NACC Region

**Exchange of trained and qualified competencies:** Tap into QCAA knowledge and experience in aviation regulation, safety management, and technological innovation.

**Exchange of information on aviation-related topics:** Partner with QCAA to develop tailored solutions to address specific challenges and capitalize on emerging opportunities.

**Organizing or holding seminars, conferences, workshops and training courses:** Benefit from QCAA capacity building initiatives.

# Success Stories

QCAA-COCESNA MoU on  
Enhancing Civil Aviation  
Cooperation (2024)

LACAC - QCAA International  
Criminal Aviation Law course  
(2024)

Qatar, IATA, and University of St.  
Gallen celebrated with the  
CARICOM Cohort (2022)

# Final Remarks

Cooperation and partnership among ICAO Member States is crucial for the advancement of the global aviation sector.

By working together, we can address:

1. Common challenges,
2. Share best practices, and
3. Foster innovation to drive collective growth and development.

Thank you
